Core Competencies.

List four to six specific capabilities. Be precise — 'IT support' is weak. 'Tier 2 helpdesk supporting 10,000-user enterprise networks' is strong.

Competency 1	[Specific capability with measurable detail]
Competency 2	[Specific capability with measurable detail]
Competency 3	[Specific capability with measurable detail]
Competency 4	[Specific capability with measurable detail]
Competency 5	[Specific capability with measurable detail]
Competency 6	[Specific capability with measurable detail]

Differentiators.

Three reasons an agency should choose you over every other contractor in your space. Be concrete. No buzzwords.

1. [What makes you uniquely capable — a proprietary process, specialized team, unique certification, or speed advantage.]
2. [Your track record that directly applies to federal work — specific outcomes, clearance levels, past agency experience.]
3. [A client or mission-impact proof point — not generic praise, a real result with numbers.]

Past Performance.

Three to five contracts that prove you can deliver. List federal first, then commercial. POC line should be a real human a contracting officer can call.

AGENCY / CLIENT	CONTRACT #	VALUE	PERIOD	NAICS	POC
[Agency Name]	[Contract #]	[\$XXX,XXX]	[MM/YY-MM/YY]	[NAICS]	[Name, Phone]
[Agency Name]	[Contract #]	[\$XXX,XXX]	[MM/YY-MM/YY]	[NAICS]	[Name, Phone]
[Agency Name]	[Contract #]	[\$XXX,XXX]	[MM/YY-MM/YY]	[NAICS]	[Name, Phone]
[Commercial Client]	N/A	[\$XXX,XXX]	[MM/YY-MM/YY]	[NAICS]	[Name, Phone]

Certifications & Socioeconomic Status.

Check every status that applies. Keep this section current — agencies search SAM by certification, and a missed checkbox costs you set-aside opportunities.

Small Business (SB)	☐ Check if applicable
SDVOSB / VOSB (Service-Disabled Veteran-Owned)	☐ Check if applicable
8(a) Business Development	☐ Check if applicable
HUBZone	☐ Check if applicable
WOSB / EDWOSB (Women-Owned)	☐ Check if applicable
ISO 9001:2015 Certified	☐ Check if applicable
CMMC Level [X]	☐ Check if applicable
Other: [Certification]	☐ Check if applicable

Point of Contact.

One person. Direct line. The contracting officer should never have to figure out who to call.

Name	[Full Name, Title]	Phone	[Direct line]
Email	[email@company.com]	Address	[Street, City, State ZIP]

FIELD TIP

Save the finished file as **[Company]_Capability_Statement_[YYYY-MM].pdf**. Refresh the date stamp every quarter, even if nothing else changes. Old date stamps signal a dead vendor.

WHAT'S NEXT

A capability statement is a door **opener**, not a contract.

Fill in this template, send it to a contracting officer, then move to the next play in the kit — the Sources Sought response.

CapturePilot drafts both for you in about ten minutes, with your CAGE, UEI, and past performance pre-populated.
